## Georgetown Will Battle Bucknell Eleven Today

In its last Saturday football game of the season today Georgetown will have as its opponents Bucknell College from Lewisburg, Pa. A hard game is looked forward to by the Hilltoppers as this big eleven from the Keystone State is one of the best that has visited here this season. The game will be called at 2:30 o'clock sharp and the best officials in the South have been secured to handle the contest.

Bucknell has a creditable record, being one of the best drilled eleven in Pennsylvania. Coach G. W. Johnson has been handling the team for several years and is considered one of the best in his line in the eastern part of Pennsylvania. Capt. Peale, the tackle, is one of the best men to be seen here this year and will lead his team in the battle today.

Bucknell played Ursinus and won a short time ago, yet when "trumps" came down here the best it could get was a tie with George Washington. It looks as if Georgetown should win, but it will have a hard fought game on its hands.

The Georgetown student body will be on hand to cheer the team to victory and will make things merry for the crowd. Several new cheers have been rehearsed by the students and will be used for the first time today.

Coach Eversline was not sure last night who he would use in the back field with the exception of Gilroy. Gilroy will surely start the game, but it was not certain who would start in the other back position. Wall will be in full back and the other men will be used during the contest.

Catholic University is playing at Morristown today and will have a hard time to keep the score down, as the team

is in a crippled condition. It is hoped that Rogers will be able to take his place at half back for a time, but will give way to some of the other men before the game has gone very far.

Gallaudet is making the trip to New York today to play Fordham, and on form should do well if they hold the Gothamites to a small score. Coach Ellis hopes to have his full line-up in the game which he has not been able to do for some time past as many of his men have been on the hospital list.

## MORE RACE TRACKS FOR MARYLAND

Baltimore, Md., Nov. 23.—At least one and probably two race tracks are to be added to the four now operating in Maryland. Al Herford, stock broker and former boxing promoter, who operated the half-mile track at Marlboro, will secure sanction from the Baltimore County Racing Commission for a track near Chases, on the Philadelphia road.

There is talk of a Horsemen's Association to be organized in Maryland, which will sell its stock only to horse owners, and which may build a track in this State.

This scheme is said to be backed by Oscar Lewisohn. He is said to be willing to put up \$50,000 to start the thing going. Just where this track would be built is problematical, but there are only two counties in the State where a new track may be operated and they are Baltimore and Harford.

## "PROS." INDORSE COURSE.

Newton, Mass., Nov. 24.—The Brae Burn Country Club will offer the use of its course for the next national open golf championship, it was stated today. This decision was reached after the Professional Golfers' Association, through Secretary Herbert Strong, had indorsed the course as suitable for the tournament.

## Dartmouth Eleven Chooses Leader.

Hanover, N. H., Nov. 24.—F. J. Douso, 18, has been chosen captain of next year's Green eleven.

## ARMY TO DEPEND UPON AERIAL HEAVES

Service Game to Hold More Than Usual Local Interest.

If in your humble opinion Army is carrying an edge over the Middles in their annual game to be staged on the Polo Grounds of New York this afternoon, your hunch is liable to receive quite a rude jolt before another setting of the sun.

Today's struggle for the service championship is more apt to resolve itself into a battle between two individual stars, Oliphant and Ingram, than a test of supremacy between two eleven. If Navy can stop the ends to hurry the aerial heaves of the West Pointers, a style of game upon which they are placing much dependence as a ground gainer. It is not believed that the Soldiers will present a particularly strong defense against their own specialty, as this play has been worked with marked success by several of her opponents this fall.

The main argument advanced by the doers who have given the call to Army in this game is the belief that the boys from up the Hudson have a more versatile and powerful attack than anything so far exhibited by the middies. A comparison of the scores of the two service teams in their battles with Washington and Lee, would make it appear that West Point is entitled to this so-called edge, but from a football standpoint comparative score does is the most unreliable of all, and the scores of the two eleven against the Virginians should not be considered.

From a local standpoint today's game will have more than the usual interest which is attached to one of these annual service games, through the fact that no less than seven local boys will in all probability be in the game. Army no doubt will use five of these Washington lads before the contest is over, chief among whom is "Tug" McEwan, the captain. Other local boys who are on the Point team are Johnnie Welch, the Knight brothers, and Jones, another former Central High boy. Johnnie Welch, the middie's quarter back, and Tom Fisher, who attended Eastern High, are the two District boys who will be in the game for the Annapolis eleven.

## THROCKMORTON AND CHURCH OFF ON TRIP

New York, Nov. 24.—George M. Church and Harold A. Throckmorton, two of the leading lawn tennis players of this country, left here yesterday afternoon on a trip that will carry them across the continent, over to Hawaii and the Philippines and then to Japan. They will travel more than 15,000 miles in order to participate in a series of tennis competitions in the Orient.

Church and Throckmorton left on board the Twentieth Century Limited at 2:45 for Chicago. Thence they will proceed to Vancouver, where they will board the Empress of Russia for Manila, where they are due on December 18. Their first tournament will be for the championships of the Orient, which will be opened at Manila on January 2.

## ABBOT DEFEATS HENRY.

After the Abbot soccer ball team's unsuccessful season they marked a general wind-up for the final game of the season and won a brilliant victory over the Henry at the New York avenue playgrounds yesterday afternoon by the score of 20 to 4.

The Abbot team showed splendid teamwork. The Abbot line-up was as follows: F. Sisson, C. Gable, H. Lieberman, T. Chaconas, H. Silverstone, F. Baxter, H. Weisenberg, D. Freedman, J. Notes, H. Freedman, C. Barkley, I. Goldstein, H. Steiner and Gerfinkel.

The boys that starred on the Abbot team are T. Chaconas, C. Gable, Silverstone and H. Lieberman.

## MRS. I. T. MANN WINS CUP

Mrs. I. T. Mann yesterday morning won the final round of the special event at the Chevy Chase Club for women players handicapped at 18 and 19 strokes and over, when she beat Mrs. L. O. Cameron, 3 up and 1. The prize was a cup offered the club by Mrs. Ormsby McCammon.

## ARMY AND NAVY IN FINAL WORK FOR GAME

New York, Nov. 24.—The Army and Navy footballers went through the last limbering-up process of the season today at the Polo Grounds. A chilling wind swept down on them from Coogan's Bluff, which, with a wet and soggy field, made the coaches use extreme care with their charges. No speedy action was attempted in view of the slippery ground.

Slow jog, passing the ball and kicking formed the mainstays of the workout. Oliphant, the Army's premier back, practiced logic and hard at the punts and averaged well despite the heavy ball, many of his wallows going 50 yards.

Incoming trains this afternoon brought additional thousands into the greater city for the show. Twelve thousand from United States war vessels obtained leave for the festivities and swelled the crowd that swarmed about the Navy's headquarters. The Jackies also brought in considerable chunks of coin, and there were complaints that no Army dough could be found.

## OFFICIALS SELECTED FOR STATE GAME

Baltimore, Md., Nov. 21.—Two of the officials have been named for the Maryland State and Johns Hopkins Homecoming field on Thanksgiving Day. They are R. T. Shaw, of Ohio Wesleyan, referee, and Emory S. Land, Naval Academy, head linesman. The umpire and field judge, to be appointed by the central board, have not been decided upon.

Shaw proved a most capable referee in the 1915 game. Land is a well-known and efficient official. He acted as head linesman in the Yale-Princeton contest last Saturday and has frequently appeared on local fields.

## RUMOR JOHNSON MAY RETIRE FROM BASEBALL

Chicago, Nov. 24.—Ban Johnson, president of the American League, is thinking of retiring in spite of the fact that his contract still has several years to run. This was learned today when it was announced that negotiations have virtually been completed whereby Johnson, Charles Comiskey, of the White Sox, and Joseph Ray, of Wilmington, Ill., will purchase a big ranch in Wyoming.

"You couldn't expect me to stick out that contract while I have such a good chance to settle out West," said Johnson. "I am in love with the country out there and its possibilities are great."

## "WOODROW" WILSON TO CAPTAIN 1917 TIGERS

Princeton, N. J., Nov. 24.—"Woody" Wilson is slated for election as captain of the 1917 Tigers. Halsey, Funk, Wing and McGraw are eligible, but Wilson is extremely popular, and is ranked as a fine natural leader, and is a brother of Alex Wilson, who captained the 1915 Yale team of unblemished memory.

## Gamma Sigma Lands.

In the fourth game of the Phi Mu Sigma Basket-ball League last night at the Arcade, Gamma Sigma defeated Sigma. The Good Shepherd boys played a fast and aggressive game all the way, although they were outwitted by their opponents. The shooting of H. Thiele and the all-around playing of Terry was the feature for the winners, while Coe, Jr., played best for the losers. Score: Gamma Sigma, 26; Sigma, 22.

## Rufex vs. Westovers.

The Rufex A. C. will play the Westovers Juniors in their annual clash tomorrow at the Olympic Field at 2:30 p. m. A good game is expected, so far the Rufex goal has yet to be crossed. The following men will start in the game for the Rufex: Hurley, Crist, Boorman, Groes, Hunter, Holohan, Murtagh (captain), Cherry, Goldsmith, Jenkins and Smith.

## Park Juniors to Play.

The Park Juniors will meet the fast Emerald Midgets at 11:20 o'clock Sunday on the gridiron south of the bathing beach. The Park Juniors would also like to arrange a game with some team in the District averaging around eighty-five pounds to be played on the gridiron in the Potomac Park on Thanksgiving Day at 1 o'clock. William Borst, 323 Maryland avenue southwest, will look after challenges.

## Coulton and Williams.

Chicago, Nov. 24.—Boston will be the battleground for the Johnnies Coulton and Williams fight next month, according to a wire the former bantam-weight champion received from Manager Nate Lewis today. Lewis is in Boston with Charley White.

## Dies of Football Hurt.

Elgin, Ill., Nov. 24.—Byrrh Fritchard, full back on the Elgin High School "light-weight" football team, died today of injuries received in a line-play against the East Aurora (Ill.) "light-weights" two weeks ago. He sustained a clot of blood on the brain.

## HARVARD IS PICKED TO DEFEAT OLD ELI

Big Crimson Eleven Appears to Have Edge in Game Today.

New Haven, Nov. 24.—Haughton system against Yale aperi! That epitomizes the Harvard-Yale battle in the bowl here tomorrow. If past performances count for anything, Harvard should walk away with the honors. Harvard, to all appearances, is a finished eleven. Yale is not. To be sure, Harvard defeated Princeton by 19 to 0, while Yale beat the Tigers by 10 to 0, but Princeton played real football against the Crimson and like schoolboys against the Blue.

Harvard has developed a good offense and a good defense. Yale is still an unknown quantity. It has played so much bad football this season that no brand of "dope" will fit the situation at New Haven.

Despite the apparent superiority of Harvard, however, optimism is the keynote of the Yale camp. For the team showed so much improvement in the latter part of the Princeton game that Jones and his aide believe it will be able to hold its own against the Crimson.

Harvard rules 10 to 9 favorite and there is plenty of Harvard money visible. A large amount of Crimson coin reached New Haven Thursday. For several days Yale undergraduates have been covering considerable Harvard cash at even terms, but a lot of Harvard money has been uncovered since Thursday and in many quarters it is now offered by the Harvard backers. Many wagers have been made with the Crimson favored at 10 to 8, but 10 to 9 are the prevailing odds.

## BLETZER MAKES OFFER FOR BANTAM FIGHT

Baltimore, Md., Nov. 23.—The first step looking toward the bringing together of Kid Williams, of this city, and Johnny Ertle, of St. Paul, in a championship bout for the bantam-weight title, was made this morning when Henry Bletzer, president of the American Athletic Association, announced that he was willing to hang up a purse of \$5,000 for the pair for a twenty-round bout in this city.

Agreeing to give the boys the option of 50 per cent of the gross receipts if that amount was over \$5,000. He adds that it is up to the boys to decide upon how they might want to split the purse and other details, but that he stands ready to make the deal on the spot.

Bletzer is of the opinion that he could induce the local authorities to grant their sanction for a twenty-rounder, inasmuch as it would be for the title.

Talk of bringing Ertle and Williams together under championship conditions has been going the rounds for some time. Bletzer feels that there is no better place in the country to stake the affair than right here in Williams' home town.

Where the interest would be greater than in any other place in the country, and therefore, determined that he would get in on the ground floor and be the first to come forth with an offer.

## 115,000 TO WATCH TWO FOOTBALL GAMES

New York, Nov. 24.—Judging from past performances, the fact that Percy Haughton is the Harvard coach and that Yale threatens to rise after being the under dog since 1911, it appears today from a casual glance that at New Haven tomorrow about 75,000 persons will see one of the hardest-fought football games ever played between the Blue and Crimson.

"Tomorrow will be a red-breaker in the way of crowds at football games. It doesn't make much difference what kind of weather is ground out for the fray. At New Haven at least 75,000 persons are expected to be on hand. More than 7,000 tickets have actually been sold. At the Polo Grounds upward of 40,000 will pack and jam themselves in to watch the Army-Navy fray. This brings a grand total of about 115,000 persons who will watch forty-four men maul each other."

## STANFORD COMING EAST.

Californians Planning Baseball Tour for Coming Season.  
Stanford University, Cal., Nov. 24.—A baseball tour through the East next spring is being planned by Stanford athletic authorities. It was announced here today. About twenty-five Middle West and Eastern schools are in the proposed schedule.

Graduate Manager Earl C. Behrens said that final details of the trip, as it is agreed upon, probably would be known within a week or two.

Under the plan as now in view, the Stanford men would probably play some of the universities in the Rocky Mountain States and the State university teams on the way into Chicago. Then Notre Dame, Indiana, Syracuse, Michigan, Yale, Harvard and Princeton and other Eastern schools, according to Manager Behrens.

## Shifts in Cornell Team.

Ithaca, N. Y., Nov. 24.—The Cornell variety using a new attack mixed with forward passes, line smashing and trick formations, walked over the scrubs for two touchdowns in practice this afternoon. Speed was not in practice today. Benedict occupying the left half back job for the first time in three weeks. Tilley, who received a bad crack in the leg in the Massachusetts Aggies game last week, was at right guard, Anderson, the regular, facing him on the scrubs.

## Dies of Football Hurt.

Elgin, Ill., Nov. 24.—Byrrh Fritchard, full back on the Elgin High School "light-weight" football team, died today of injuries received in a line-play against the East Aurora (Ill.) "light-weights" two weeks ago. He sustained a clot of blood on the brain.

## ANOTHER BASEBALL STRIKE IS THREATENING

New York, Nov. 24.—Another baseball strike, even bigger than the one of 1912, when Detroit rebelled because of the suspension of Ty Cobb for hitting a spectator, in this city, is brewing.

Dave Fultz, the leading factor of the Baseball Players' Fraternity, declared yesterday afternoon that unless the Minor League of Professional Baseball granted the three requests of its players, the members of the sixteen big league clubs, belonging to the fraternity, and others of lower classification, will not sign contracts for next season.

Fultz stated that the fraternity has no grievances against the National Commission, but that the minor league clubs will have to eventually give in to the players or the many thousands of followers of baseball will be deprived of their national dish next season.

## 77,453 TICKETS FOR YALE-HARVARD CONTEST

New Haven, Conn., Nov. 24.—A total of 77,453 tickets have been sent out for the Yale-Harvard football game here Saturday. Of which number 23,171 have been taken by Harvard. It was announced yesterday by the Yale ticket office. The total also includes 24 press and 300 side line tickets.

Two years ago 8,942 persons saw the Blue and Crimson classic. The attendance at the game will be 1,500.

## SORE THROAT EPIDEMIC PUZZLING OLD ELI

New Haven, Conn., Nov. 24.—The sore throat epidemic among the Yale football team and which has so far attacked Mossely and Comerford, the Yale first-string ends, Braden, the star kicker, and Smith, the quarterback, was giving the Yale coaches no end of worry today, although it was announced that all but Smith would be in condition to start the game with Harvard tomorrow. La Roche, it was stated, would start the game at quarter back. The team had only light signal practice today.

## JACK BARRY MAY MANAGE THE CHAMPS

New York, Nov. 24.—Although the Harvard and Yale game is only one day away sport followers here are talking baseball. What interests fans of this section most is, "Who will be the manager of the world champion Red Sox?"

According to reports from the office of Harry Frazer and Hugh Ward, new owners of the Red Sox, Jack Barry will be manager if Bill Carrigan has no desire to again be "Boss Bill."

There is no question in the minds of the New York fans who are close to Frazer and Ward that Barry will be the manager. They feel that when Bill Carrigan said he was finished he certainly knew what he was talking about.

In a report this morning which came from the office of Frazer and Ward, Barry would undoubtedly be the Sox' next manager.
